National Employment Service covers all the States and Union Territories except Sikkim and functions within the framework of the Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959.

Day to day administration of the Employment Exchanges is with the State/UT Governments.

Chhattisgarh Employment Service covers all the 18 districts in the state of Chhattisgarh.

As a part of administrative functioning, data are collected through 13 Employment Exchange Statistical Returns, each return covering a specific field of activity like registration, placement etc. with different periodicity.

As a part of Employment Market Information Programme data are collected from the Organised Sector (all public sector establishments and all Non-agricultural private sector
